TRADE MARK REGISTRATION

Protecting your brand is of absolute importance. Today every brand owner has a major concern of protecting consumer and industrial products against counterfeiting and fraudulent imports. It remains an ongoing battle as there is a surge in market diversion and counterfeiting, as shown by statistics on customs seizures. It is, thus, in the best interest of your business to take effective steps to prevent counterfeiting before it hurts your goodwill. Right Corporate Services is a reputable trademark registration firm in Dubai, UAE. We offer our clients high-quality professional trademark, patent and logo registration services in Dubai, United Arab Emirates.

COMPANY CLOSURES

The United Arab Emirates is a remarkable business destination offering diverse growth opportunities. However, it is not essential that all the businesses would flourish in the market. Sometimes things don't turn out the way business owners thought and the business fails to prevail in the market. If the business is no longer generating profits and is unable to repay the lenders, it becomes mandatory to dissolve the company in accordance with the laws of the land Through the Liquidation process, a company's existence is brought to an end. A company is bound to undergo liquidation when the legal entity is under-performing and the shareholders are not keen to continue the business.

TRANSLATION SERVICES

Right Corporate Services takes the stress out of your translation needs. Our translators are not only specialized in written document translation, but they also have in-depth experience in the relevant subject areas. PRODUCT REGISTRATION

Acclaimed as one of the largest and most important hubs of international trade, Dubai offers the best opportunities for businessmen all over the world to import, manufacture, distribute and re-export a large number of products. To regulate the quality and to ensure that only stellar quality products are imported and manufactured in Dubai, it is mandatory to register all products by law before launching (selling) them in the U.A.E market. The Government of Dubai has developed a comprehensive registration process to ensure the same. Right Corporate Services offers the best services for product registration in Dubai.

LOCAL SPONSOR

The two main zones where foreign investors or expatriate can register their business in UAE are the Mainland and Free Zones. In order to form a company or to start a business in these zones, there are certain prerequisites that every business needs to fulfill. A primary requirement is to find a local sponsor if investors wish to do a business setup in mainland zone. free-zones do not require any local sponsorship and businesses can have 100% ownership.

However, for a Mainland company, it is mandatory for foreign investors to have a local sponsor.
